The meeting of the Coos County Convention was called to order in accordance with the following notice at 7.45 p. m., Feb. 26, 1907, in room No. 11, at the State House, with Chairman Fred S. Linscott of Lancaster in the chair :

NOTICE.

The Coos County Delegation will hold a convention in room No. 11 of the State House. Tuesday evening, Feb. 26, 1907, at 7.30 o'clock, for the purpose of making appropriations and doing any other business that may legally come before said convention.

In the absence of the clerk, James J. Feeney, of Berlin, Oliver H. Toothaker of Berlin was chosen clerk pro tem.

Chairman Linscott presented a resume of the financial condition of the county as shown by the county report and this was followed by an informal discussion.

Remarks were offered by Messrs. McNally and Gilbert of the Court House Building Committee regarding the purchase of additional land in connection with the Berlin Court House lot.

The following resolution was presented by Hutchinson of Berlin, who moved its adoption :

RESOLUTION.

Resolved, That the county raise the sum of \$35,000 for each of the years 1907 and 1908 and that the Berlin

Court House Committee be authorized to condemn fifteen (15) feet of land on each side of the Court House lot at Berlin for the purpose of enlarging said lot, if the same cannot be bought at a reasonable price, and that the County Commissioners are hereby authorized to draw an order to pay for the same. That the County Commissioners are hereby authorized to purchase the necessary land and build an addition to the Colebrook Court House for the purpose of providing a room for the Judge and one for the Jury, at an expense not exceeding fifteen hundred dollars (\$1500), and that a sum not exceeding five hundred dollars (\$500) is hereby authorized for the purpose of completing the re-indexing in the Register of Deeds office at Lancaster.

Discussion followed, after which the resolution was adopted.

A motion was presented by Paine of Berlin, which, after amendment by Thurston of Errol, was passed in the following form:

“That the County Commissioners be empowered to to purchase a wood lot for the uses of the County Farm.”

Thurston of Errol brought up the subject of moving the County Jail from Lancaster to West Stewartstown, and on motion of Toothaker of Berlin the chairman was instructed to appoint a committee of three (3) to investigate the matter and report back to the convention at the call of the chair.

On motion of Paine of Berlin the convention adjourned subject to the call of the chairman.

Commissioners' Report.

To the Citizens of Coos County :

In accordance with the requirements of the law, we herewith submit a report of our doings during the year 1907, together with the reports of the several county officers.

During the year a new addition has been made to the Court House at Colebrook, as authorized by the County Delegation. A private office for the use of the judge and a new jury room have thereby been obtained, both of which were practical necessities. The building has also received much needed repairs, so that now the same will be suitable for all requirements for many years. The cost of this work and the piece of land purchased, upon which the addition stands, was \$1487.49.

The County Delegation also authorized the purchase of additional land for the Berlin Court House lot, and the same has been taken under the right of eminent domain, the purchase price as established by the committee being \$2400. Twelve hundred dollars of this sum has been paid and the balance will be paid as soon as the necessary papers are prepared and delivered.

The County farm continues under the able supervision of Mr. and Mrs. Fuller and the care shown for the inmates is all that is necessary or that can be required. The farm is under an excellent state of cultivation. The cost per inmate is somewhat lower than last year.

The Commissioners wish to thank the citizens of the county, the Overseers of the Poor, and Selectmen of towns for their aid and assistance during the past year.

Respectfully submitted,

MILES W. GRAY,	}	<i>County</i> <i>Commissioners.</i>

GENTLEMEN: I submit my year's report of the Coos County Almshouse.

There have been no contagious or infectious diseases this year. Wm. Riley.....	72..	Mar. 12..	Bright's disease

Chaplains' Report.

WEST STEWARTSTOWN, N. H., Jan. 10, 1908.

*To the Honorable Board of Commissioners of Coos
County, New Hampshire:*

DEAR SIRs: I have continued my service as chaplain at the county house the past year. No part of my work in West Stewartstown has been more attractive to me than this. Some illustrated lectures given earlier in the year were especially enjoyed. The new organ has contributed to the enrichment of the services. I was glad to co-operate with the W. C. T. U. in the holiday festival and Christmas tree, which was a very happy occasion.

Respectfully,

EDW. A. TUCK.

Coos, Coos Co., N. H., Jan. 1st, 1908.

*To the Honorable Board of Commissioners of the
County of Coos, N. H.:*

GENTLEMEN: The desirable and ample property secured at West Stewartstown for the poor and destitute of our county is such a striking evidence of what charity always does, when considered, that I cannot help mentioning it to you principally at this time of the year, when all, it seems, shows. For both Mrs. and Mr. Fuller I have only kind expressions to utter with regard to their part in the general management of this institution; their considerate and helpful ministration is all maternal and paternal to the unfortunates.

My work during the year 1907 as chaplain for the Catholic inmates of the house was, as the previous years: to attend to their spiritual welfare as often as my presence was required, and I hope I have done them all the good I could.

Very respectfully yours,

REV. J. G. A. JUTRAS.

v H. Leroy Simpson.

On the Equity Docket there is one case, State v Liquors (Fred J. Williams). This case will be disposed of at this term of court.

The cases on the Civil Docket on the first of January, 1907, at the time of my last report have been disposed of as follows: State v Alex. Bouchard, Theodore Morin and Fidelity & Deposit Co., Judgment for plaintiff for \$800 damages and \$4.74 sheriff's fees. Judgment satisfied.

State v Alfred E. Buckley and Fidelity & Deposit Company of Maryland. Judgment for plaintiff for \$2000 damages and \$3.24 sheriff's fees.

v Leonidas Vallieres, Felix Vallieres and Fidelity & Deposit Co. Judgment for \$800 damages and \$4.74 sheriff's fees. Judgment satisfied.

There is but one case brought against the county, during the year, that of the Town of Lancaster, which is now pending in the Supreme Court.

The following criminal matters I have attended to that were disposed of before Justice and Police Courts:

State v Malona Reed. This was a case for surety to keep the peace. He was ordered to get the required bond, but being unable to do so was committed to Lancaster jail. After being in jail some time he got the required bond and upon payment of costs taxed at \$60 he was released.

v Fred Willette, keeping for sale spirituous liquors. Plea guilty before the Gorham Police Court. Paid fine of \$50 and costs and has 60 days jail sentence suspended during good behavior. Mittimus to issue on call of Solicitor.

v Mary Lafleur, keeping for sale spirituous liquors. Same plea and same disposition of the case as State v Fred Willette.

v Charles C. Levesque, keeping for sale spirituous liquors. Plea guilty before Gorham Police Court. Paid fine of \$100 and costs and had a sentence of 60 days in jail. Jail sentence suspended during good behavior. Mittimus to issue on call of Solicitor. I found that Mr. Levesque was selling spirituous liquor again, and causing search to be made there was sufficient evidence for the Court to order him to furnish bonds for his appearance at the Grand Jury term in April. I thought this was sufficient evidence to justify the Solicitor to call for a mittimus for the 60 days suspended jail sentence, with the result that Mr. Levesque is now in Lancaster jail serving his 60 days jail sentence.

State v Daniel Rowan, keeping for sale spirituous liquors. Plea
guilty. Sentenced to pay a fine of \$25 and costs, and 30
days in jail. Jail sentence suspended upon payment of
fine and costs and during good behavior.

There have been injunctions placed on the following places
restraining the proprietors from selling liquors:

R. P. Lindsay, Lindsay's Inn, Whitefield.

Joseph Soucie, John Battles Place, Colebrook.

Thomas G. Rowan, Monadnock House, Colebrook.

Edmond Gosselin, Hotel Lafayette, Gorham.

Respectfully submitted,

J. HOWARD WIGHT, County Solicitor.

Report of Superintendent of Re-indexing Records of the Registry of Deeds.

As superintendent of the work of re-indexing the records of the Registry of Deeds, I beg leave to report as follows:

Appropriation for this work,	1905	\$2,000.00
	1907	500.00

Of this amount I have expended as per pay-rolls filed with the County Commissioners	for labor	\$1796.67
	for materials	537.64
		<hr/>
		\$2334.31

Of the sum named above as used for materials, I have expended \$324.02 for material including index-case, typewriter, and cards for making the current index from May 1, 1905 to Jan. 1, 1908. This amount is exclusive of labor since the new system of indexing came into operation.

The work of indexing the deeds on cards and proving the same, as well as the permanent index from 1891 to the present time, was completed about January 1, 1907, and the part of the index-cards from the first land grants when Coos was a part of Grafton county to the year 1890, had then to be sorted, both alphabetically and chronologically, and type-written into the permanent index.

At the present time the "Grantor" index is ready for the binder with the exception of the period from 1881 to 1890 inclusive. What remains to be done is the sorting and printing of the "Grantor" book from 1881 to 1890, and the "Grantee" from the beginning to 1890.

The making of the index from 1891 to 1900 was a tedious and expensive task for the reason that during that period many foreigners became land-owners in the county and the various

ways in which their names have been spelled in conveying have caused a great amount of otherwise unnecessary work.

I have endeavored in every way to make this index accurate, comprehensive and complete, and to have the names and references arranged in such a manner that a person not used to examining records may readily find what he is in search of.

Of the amount named above as paid for labor I have received the sum of \$373.44 for my personal services as superintendent of the work, covering a period of two years and eight months, which would be an average of about \$2.92 per week.

All of which is respectfully submitted.

D. EUGENE ROWELL,
Superintendent.
